Editor's Letter

Many a time we've bumped into models and porn stars and been lost for words. We don't want to blow it with our first sentence. Which is why sometimes putting together a Best of Men Only comes a relief, as we don't have to sweat it out every time some of the hottest models on the planet walk into our studio. Elsewhere, it's business as usual – hot girls, ladies misbehaving (brilliant to our minds), reviews and much more. With Lexi Lowe heading the front page, you just know it's going to be a crack-out issue.
Here's till next time folks!

SPUNKMAIL

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Send me your letters to: Men Only, 20 Lyon Road, Hersham, Surrey, KT12 3PU or mail menonly@paulraymond.com

I've come to realise that my sexual kink is quite unusual, so I thought I'd write in and change that, if only in letter form!

I've always had a thing for erotic food play: the texture, smell, taste and visual aspect, along with the added ingredient of the sound of the food glooping in and out of the girl's orifices… It just does it for me.

"Freeing her boobs, I fondled them, tweaking her nipples and making her squeal."

Although most of my girlfriends have indulged me to some extent, the one woman who gets my kink totally is Gracie, a lady I met in a chat-room online. After initial pleasantries we found we had a great deal in common but, living quite a distance from each other, never met up until she was recently invited to a wedding a few miles from my home.

The day after the wedding bash we met at a village pub and I was pleasantly surprised to see that she was even prettier than her photos belied. Getting to know each other better over a spot of lunch, I got the distinct impression that she was as attracted to me as I was to her – her subtle flirtation not going unnoticed, nor reciprocated.

Then, as we were finishing our meals, she made her intentions crystal clear with one simple move; scooping the remaining cream from her dessert plate with one fingertip and, meeting my eyes, sensuously sucking it into her mouth. Her action had the desired effect, as my dick twitched in appreciation.

Encouraged, I boldly asked her to come back to mine for drinks and stay over. She tailed me home in her car and soon we were sipping coffee by the fire and listening to music. I put my arm around her and, relaxing, she snuggled contentedly against me, draping one knee over my leg.

Being in such close proximity to Gracie, inevitably my pulsing erection was soon prodding into her thigh. Smiling, she softly stroked my tentpole – inflaming my ardour and sending tingles to my cockhead. Our lips locked together and I sucked her tongue as I pushed her onto her back.

Straddling her lovely body, I pushed my denim-clad schlong against her pussy mound and opened her blouse revealing her soft tits, which were trying to escape from her brassiere. Burying my face between them I inhaled her perfume as her hands crept down to stroke the outline of my balls.

Freeing her boobs, I fondled them gently, tweaking her nipples and making her squeal with pleasure. Her hips bucked as her fanny pushed up towards my straining manhood.

"Hold that thought, sexy…" I breathed, pushing myself off her, drinking in the sight of her delicate hand disappearing beneath her skirt, before rushing to the fridge to grab some whipped cream and a bowl of cherries.

When I returned, I was surprised to find Gracie dancing around, sliding her blouse sexily from her shoulders and nodding for me to discard my clothes, too, before bending over and swiftly dropping her skirt and knickers to the carpet and caressing her buttocks. I stroked my cock as I watched her, positively enthralled as she gyrated and swayed languidly.

I couldn't wait so, wiping my finger into the bowl of cream, I rubbed some on her lips. Licking it off salaciously, she dipped her own digit into the bowl before moving it to her glorious pussy, mixing the cream with her juices, then offering me her finger for a taste. Sucking greedily, I savoured it, the sheer intimacy causing the blood to pound away in my swollen tool.

Spreading a quilt on the floor, I asked Gracie to lie down so I could massage cream into her heaving breasts. She let out a delightful giggle as the cold cream made contact with her warm skin, and her excitement grew as I kneaded her marvellous tits, pausing every so often to tweak her hardened nipples and smear more cream over them.

I moved further down her body, rubbing the lovely white substance into her smooth skin, leaving smears on her ribs and a neat

"Gracie's gasps as thick globs of cream landed on her pussy turned to moans…"

Continued on page 12…

Dear Michelle,

Dear Michelle,

Like pretty well everyone I know, I'm a massive fan of *Game of Thrones* – and I'm also a big fan of Sam Bentley, who's got to be one of the most passionate and committed porn stars these islands have produced in years, right up there in my view with the likes of Angel Long, Laura Turner and Kelly Stafford, so to see two of my current passions combined is like a dream come true. I'd had no idea Sam had appeared in the last series, but I've been keeping my eyes peeled for her this time round. I think it's great that so many British girls are helping to make this fantastic show even better with their wondrous bodies – with all the boobs, bums and beaver on show, I'd be happy if the series ran for ever, frankly!

Please pass on my regards to Sam – it's girls like her that make life worth living, in my opinion!

Den, Yeovil,

Michelle says: Yep, you're not wrong there – it's a cracking programme, and all that nudity certainly helps!

DRAGONS DEN!

CHARLOTTE

Photos: Twisty's

Once upon a time families used to gather round the 'old joanna' to keep themselves entertained of an evening, but it looks like Charlotte's got a much better idea of what constitutes an evening's entertainment, doesn't it?

"Playing the piano's all well and good!" she grins, "but if someone's good with their fingers, it seems like a bit of a waste to me!"

Thoughts very much in tune with our own!

little mountain on her perfect navel. Gracie's gasps as thick globs of cream landed on her pussy turned to moans as I rubbed it into her swollen lips, the musky sent of her arousal wafting to my nostrils. Pushing my fingers into her sopping hole, I frigged her vigorously until I felt her muscles grip my digits tightly. Her pussy spasming, Gracie came hard, soaking my fingers with her juices.

Once she had recovered, I asked her to turn over onto her front, and, applying large globules of cream to the sensitive backs of her knees, I worked my way upwards toward the delectable crack of her arse.

Her bum-cheeks were silky like soft pillows, and I devoted some time to coating their delightful curves before working the fluffy cream into the gorgeously deep crevice between them.

After dripping the remainder of the foodstuff onto her back and neck, I grabbed the cherries, strategically placing them into the daubs of cream along her shapely backbone. Then I finally embarked on the fantastic task of cleaning her whole body with my tongue.

Beginning at her neck, I licked downward toward her magnificent arse, occasionally nibbling at the cherries, causing shudders of anticipation to pulse through Gracie's entire frame. By the time I reached the base of her spine she was begging me to fuck her, but as my tongue lapped hungrily at her ring, she pushed back urgently and begged me to do her arse instead.

Bumping her bumhole entrance with the head of my well-lubricated prick, I held her hips and thrust my rod into her tight ring, gradually sinking into her luscious arse down to my balls. When she encouraged me to, "fuck like you mean it", I rode her with more abandon than I'd ever ridden before, pistoning my pulsating prick in and out of her sweet hole with all the power I could muster.

Gasping with delight, she pushed her hips back, embedding my throbbing dagger even deeper inside. Reaching forward, I tweaked her erect nipples, spurring her to grind her arse down and squeeze my pole with her sphincter muscles. This proved too much for my over-stimulated cockhead, which exploded, sending jets of warm spunk deep into her back passage.

Feeling my climax brought Gracie to a wailing orgasm, throwing her head back and arching her spine. I pulled her hair lightly but she cried out breathlessly that she was coming again, so I flipped her over and licked the last creamy remnants from her crevices.

Afterwards she told me that when she next visits me, it will be my turn to act as the

JUNGLE FEVER!

Dear Michelle,

I'm blaming you for the sleepless nights I've had since your last issue came out. Every time I go to bed, all I can think about is those stunning pictures of Nicole Aniston in the jungle, her oiled-up body contrasting spectacularly with the foliage around her! Can you imagine coming across such a beauty, juiced up and playing with her fanny, as you find yourself in some tropical glade? I can, and the thought's driving me round the bend!

Please be a little bit more careful with your choice of pictures from now on, because if you ever print anything half as horny as these ones again, I fear I may never get to sleep ever again!

Yours blearily,
Jason, Brentford.

Michelle says: Well Jason, if you're struggling to get to sleep thinking about Nicole, all I can do is suggest you take matters into your hands! It tends to work for me!

GIVE PIERCE A CHANCE!

Dear Michelle,

What can I say? You get ten out of ten for your latest issue – crammed as it is (as ever) with some of the finest looking girls in the world. It's always a thrill to see a set shot by the wonderful Ms Kane – especially one featuring a girl as hot as Gabrielle – and Dani Maye was looking hotter than I've ever seen her before, with that sexy pink cardy and the fantastic suspender belt atop-her shapely long legs. Sheer perfection! The *piece de resistance*, though, had to be Samantha Saint, who looked incredible throughout in her Daisy Duke style gingham. I've never really thought about it before, but there's something about a pierced pussy that really turns me on, and hers was put on show to spectacular effect. Truly exceptional stuff!

All the best to everyone at *Men Only* from your number one fan!
Graham, Cornwall.

JULIA

Photos: Twistys

Here at *Men Only* we consider it a little bit tactless to discuss a lady's age (ahem, although you can rest assured everyone is over 18!), but we thought we'd make an exception for the truly exceptional Julia Ann here because, well, not to put too fine a point on it, she was born in the decade before the one the Ed was born in. Now here in the office he's considered quite a doddery presence and yet here's a woman who is by some degree older than him and yet who is, quite frankly, in the absolute prime of fuckability! So how on Earth did that happen? We've decided that it's probably a combination of booze (the Ed), and good genes and a very healthy attitude to both exercise and sex (Julia).

"Ha, well I couldn't possibly comment on your Editor and his lifestyle, but as for me, yes, I think you've probably got it about right!" beams Julia. "Even my mum's still in pretty good shape, so the genes must help, but I'd be lying if I pretended there wasn't a fair bit of exercise and sex involved as well!"

Well we take off our hats to you. Ahem, and our undies…?

ROBERTA

Photos: Dazglam

Ah, what finer way could there be to kick of a new issue of the nation's longest running nudey mag than with a brand new hottie! Roberta here certainly looks like just the sort of girl we like here at *Men Only*. So the only question is why haven't our paths crossed before?!

"Well my boyfriend was a bit uptight, and although he knew I fancied modelling, he kept arguing against it!"

Tut tut! So how did you change his mind?

"I didn't! I dumped him!"

Quite right too, love!

“If it’s going to be a long day a pocket rocket keeps my pussy wet between scenes.”

SAMANTHA SAINT

Some girls start off slowly in the adult industry, but not Samantha Saint. Feeling that life is too short to tip-toe around and put things off, she started out doing lezzie films and then eased her way into the hardcore side of the industry in 2011. In both film and print, she’s worked tirelessly to establish herself at the forefront of adult entertainment.

As a successful model, she has graced the pages of Penthouse, Men Only, Club International, Hustler and many mores.

Born in Memphis, Tennessee, but now living in Colorado, the green-eyed Samantha is a college graduate with a cute Southern accent and bisexual desires. Along with expressing herself through porn, she also likes hiking and cooking. The long-legged hottie stands 5’9” with head-turning 34DD-24-36 curves and an exhibitionist nature,

Samantha has both nipples, her nose, navel, and clit pierced. and she’s more than happy to show all of that off when on camera. No wonder she’s now a Wicked contact girl!

What do the folks in your small town think of your job?

They are very supportive. There are a lot of questions because they are not very educated on the subject. Family members and friends say they are proud of me. I got out. I did something for myself. It’s very cool.

Why did you choose porn?

I did some modelling as a teen, and I really loved being in front of the camera. I have always been attracted to both men and women and I was sexually very curious so many aspects of my chosen career came to me naturally.

So you were in porn for a very short time and then you had a contract.

Yes. It was my goal to be contracted. I wasn’t going to sign with any company; it had to

“I like that normal guys are much more excited to fuck me. They can’t believe their luck!”

be the perfect one for me. I’m very happy with Wicked, it has taken me down a very adventurous and exciting path. You rarely hear of girls being signed for contacts these days so I am very proud to be their newest addition.

How many scenes have you done so far?
Many. When I first started I was working every day including weekends. Sometimes two or three scenes a day. When I got the contract it was nice to slow down.

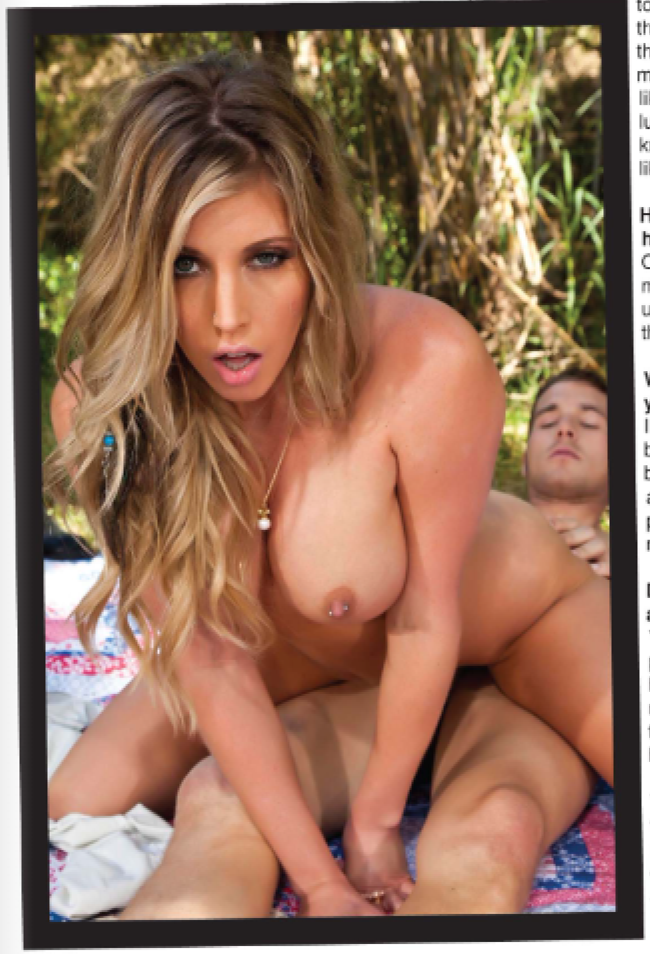
How do you prepare for a sex scene?
I’m very easily excited, so usually I just bring my naughty fantasies with me… But if I’m told that it’s going to be a long day, a pocket rocket keeps my pussy wet and going between scenes. I love small clit vibrators, they always cheer me up and you can bring them everywhere.

And you are not getting bored with the industry yet?
Oh no! No way! I would never get tired of sex. Never, ever!

Do you date women in your personal life or is it just a work thing?
I’m a classic bisexual, but I only really have one-night-stands with girls. Long-term, I prefer to date men.

Would you date a civilian?
Definitely, I don’t live permanently in Los Angeles so most of the guys I meet on my free time are regular guys with regular jobs. I prefer them to porn actors, anyway. Actors are so self-obsessed.

Are porn actors better in the sack?
Sometimes, but porn actors are accustomed to fucking pretty girls, so for them, it’s no big deal. I like that normal guys are much more excited to fuck me. It’s like they can’t believe their luck! It’s a turn-on for me to know that they desire me like that.



How often do you like to have sex?
Once every day is ideal for me. If I don’t get to fuck, I usually just pop a porno in the DVD and masturbate.

What type of porn turns you on the most?
I have different fantasies, but right now I’m into light bondage and spanking. I actually watch quite a bit of porn, probably more than most girls.

Do you have a favourite actor?
Yes, Peter North! I’m so proud to say I worked with him last year. It was an old masturbation fantasy come true, for sure. I climaxed so hard during or scene.

What is your favourite way to seduce a man?
I really like to dress conservatively, like a prim and proper secretary in glasses, but with my skirt a little too short and my blouse a little too tight… I think that look is a turn-on for most guys, and it makes me feel sexy too…

Would you make a better girlfriend, wife or one-night stand?
I’d like to think I’d make a great wife, because I love cooking, I love sex, and I also love all the outdoor activities that men enjoy, such as fishing, camping and hiking.

What are your pet peeves from your first years in porn?
I was surprised that so many stars were mean to me, but after a while I realized they were just jealous and saw me as a threat. I have received a lot of attention from the media and fans since I started. I’m sure that could be annoying for the older girls.

What are the best and the worst things about being an X-rated star?
The best thing is getting to meet my fans. To me that is the ultimate payoff. No matter how much money I make, when I see my fans and I see that they really appreciate my work, that is better then anything.

The only thing I hate about the business is being gone from home so much. There is no porn market where I live in Colorado, so I have to go out to Los Angeles all the time for work. That takes a toll on me.

Do you have a message for your British and European fans?
Yes, I want to say thanks for watching and paying attention and the fact that you guys actually take time to read my interviews and watch my movies is very humbling and exciting. Keep looking for more because there is a lot more to come!

We’re very glad to hear it!

NICOLE

Mmm, Nicole Aniston! Just the name's enough to give most right-thinking men a proper bonk-on, but combine it with some pictures of the girl herself and, well, doubtless you'll be experiencing exactly the same kind of effect we are!

So Nicole, seeing as it's sunset out there, and we've got a long way to go home, do you think we might, umm…?

"Stay the night? I'd love to say yes, but I'm afraid I've got plans."

We'll we've got plans too – which is why we want to stay!

COUNTRY BUM-KING!

I've always loved the great outdoors. There's something liberating about being out in the countryside, and some of the happiest moments of my life have taken place in the wilder parts of rural England. I grew-up on the edge of town and spent most of my free time with the horses, or walking the neighbour's dogs – any excuse to get away from suburbia for a few hours. I loved to watch the sun setting with the sound of blackbirds and thrushes singing and the smell of honeysuckle hanging thickly in the air.

The boys I dated didn't admire the scenery in the same way I did. They were only there because I was there and they wanted to be with me in case some kind of reward fell their way. Will was one of those boys, but he was different – I was interested in him because he obviously loved being in the countryside as much I did. He came out for walks because he loved walking; watched the sunsets because he loved the way the sky changed. I quickly came to love him because of the things he loved. I wanted to be with him and share myself with him.

The memories of how we started dating jacked-up my hormones as Will drove us deeper in the English countryside for a weekend away. The close confines of the car helped as well. I was achingly aware of everything about my man. He smelled great – a heady mixture of aftershave and fresh sweat. I'd watched proudly as he'd chopped enough logs to fill the boot of the car at the local farm. Where was he taking me this time?

It was a little cabin at the end of a long muddy drive. There were no phones, no TV and no central heating – but just the right amount of mod cons with running water and electricity for a hot shower and bottled gas for cooking. It was the perfect setting. I cooked while Will set the fire.

By the time we'd shared a meal and a bottle of merlot, there was a crackle of sexual energy. There was romance in the air as we snuggled-up together in the firelight. It was hot in that little cabin as we burned some of the pile of logs - too hot for clothes.

> "Jesus, Jess, you're soaking', he laughed as the slurpy sounds of my pussy filled the cabin."

We never dared to sit nude in our lounge at home, but here we were guaranteed that there'd be no interruptions. Our hands wandered, for a while doing all the talking that was necessary. The sexual energy rose and Will's cock rose with it to a full erection. I ignored it for as long as I could, teasing him – but teasing myself more.

Eventually, I gave in. I leant against Will, nuzzled against the side of his face and whispered. "I'm going to give you a blow-job." He groaned a happy response and I saw his cock jumping with anticipation. I hungered for him, I wanted him so much.

Taking it nice and slow, I used my hands first, stroking him. Then I started with my mouth, sucking and licking his cock. Suddenly the fire wasn't the hottest thing in the room. The heat in my mouth was much more intense. I wanted to take him to completion and tried not to be impatient – we had all night and we were alone in the middle of nowhere. Just Will and me, just how I'd always wanted it to be. I sucked and felt his body rise in response. He sighed an approval and ran his fingers down my back, and down into the groove of my pussy.

"Hmmm, it's very hot down there," he said. "And wet," he added, as his finger pushed between my labia and then deeper. I closed my eyes and squirmed as his fingers tickled their way inside my body. A loud moan escaped as Will twisted them inside, stretching the walls of my pussy in the most wonderful way. For once it didn't Willer how much noise I made as there was no-one to hear. I didn't have to control myself and happily grunted and groaned my appreciation. But really, I wanted Will's cock inside my pussy. The thought of him fucking me in front of the roaring fire made my pussy throb.

Perhaps Will was having the same fantasy as he escaped from where he was sitting and moved round behind my exposed bum. I'd been expecting him to tease me, or to lick me but he seemed to know how best to please me and simply placed the head of his cock against my entrance and pushed forward. My back arched as he speared into me. "Ooooh fuck!" I screeched, loving the freedom of not having to consider the neighbours.

"Jesus, Jess, you're soaking," Will laughed as the slurpy sounds of my pussy being fucked filled the cabin. My gasps and groans added to Will's determined grunts. His hands gripped my hips and we found a wonderful rhythm as I slammed back against his thrusts, maximising the penetration of each and every stroke. My fingers knotted around the cushions as my body quickly built towards a crescendo. My insides felt incredible. Will knew exactly what he was doing and I felt the first jolts of my orgasm. It flared and I made all sorts of noise as the pleasure consumed me.

> "The thought of him fucking me in front of the roaring fire made my pussy throb."

"Don't go anywhere," Will said sternly after I let-out a final sigh of appreciation. It felt naughty to be naked on the settee with my bum high in the air. Will obviously thought the same. He moved into position behind me and I shrieked as he smeared something cold between my buttocks.

"What are you doing?" I asked, already knowing the answer.

"Your bum just looks so perfect in the firelight," he said, shrugging apologetically. And with that, he pushed a slippery finger into my bum. This time he made me sigh. It was very naughty – but it felt amazing. Will took his time, working my bum with his fingers until I was begging to be filled by his cock. His groundwork meant I was so stretched and lubricated that his cock slipped inside without any effort. The feelings were extreme and I was seeing stars as he started moving his hips, grinding his cock into me. My hips circled and I found myself matching his every thrust. He built the pace slowly and gradually went harder and deeper. Eventually, he was withdrawing until only the head of his cock was inside my bum before filling me again. It felt like he sent me of the edge of an orgasm a hundred times over, and I had to be careful as I played with my clitoris since I wanted it to carry-on forever, never wanting the intensity of the feelings to subside.

> "He moved into position behind me and I shrieked as he smeared something cold between my buttocks..."

I did my best to balance the pleasure right at its peak without actually tipping myself over the edge in my second orgasm. But it became too much, I wanted another cycle of ecstasy. "I'm going to come… any sec," I sighed, half-closing my eyes. Will groaned and drove his cock right in but didn't pull back out. I felt his cock jumping inside me and as it did, I rubbed my clit a little faster, making my empty pussy clench as I came really hard.

I smiled up at Will. "For such a dirty anal slut, you've got a very angelic smile," he teased, earning himself a playful punch. We showered before 'hitting the hay' and listened to the logs crackling on the fire from under the thick duvet. We had intended to be up early to watch the sunrise together, but as the day started we were much too busy doing what came naturally with each other to leave the bed. Nature would have to wait for another day.

Jess, Staffs.

VERY PERSONAL ASSISTANT

I've been pretty lucky with the Personal Assistant who started working for me last year. Debbie is efficient, conscientious, hard working and sunny; I don't know how I would've coped in my new job without her.

A little while ago, not long after the Christmas party, a friend of mine from accounts went home with Debbie and told me a few days later that she'd taken it up the arse.

This was hardly a gentlemanly thing to boast about, but I listened anyway and saw Debbie in a completely different light after that.

Apparently, she'd been keener about getting his cock in her bum than having it in her pussy, and I have to admit, I wanked off a couple of times thinking about her that night and really wanted to sample this side of Debbie for myself.

> "She parted her knees and bent them, and I stuffed my mouth into her crack."

Fortunately, Debbie is devoted to me and had made it clear that she thought I was a great guy to work for/with. I wondered if this would translate into skin terms and decided the only way to find out was to try.

So, at the end of one particular afternoon, I asked her to step into my office for a little chat and we talked about business for fifteen minutes until I was sure everyone else had gone home.

My cock was rock hard in anticipation of what I was going to do and I hoped she wouldn't freak out.

"Will that be all?" she asked, when we'd cleared away the last of our business.

"Just one more thing," I said, walking around behind her. "Do you think I'm a good boss?"

"Oh yes, the best I've ever had. I'd do anything for you," she agreed.

"Anything?" I asked again.

"Sure, that's what a PA is for, isn't it?"

I was almost coming in my pants as I worked up the courage to ask her to suck my cock, and in the end disguised my nerves with a laugh and jokingly asked her to lean across the desk and show me her arse.

> "Debbie complied without question, pulling up her skirt to reveal a tight little pair of pink panties."

To my utter amazement, Debbie complied without question, pulling up her skirt around her waist to reveal a tight little pair of pink panties half-covering her bum.

"You really don't mind doing this for me?" I asked.

"Of course not, what sir wants, sir gets," she said. Debbie had never called me sir before and it stirred my loins like crazy. Before I knew what I was saying, I was telling Debbie I wanted to rim her between the cheeks and fuck her little arsehole, and Debbie was replying, if that was what was required of her, then I should just go ahead and do it.

I pulled down her panties and sunk to my knees behind her. She parted her legs and bent them at the knees and I stuffed my mouth into her arse crack.

I prodded and probed her sphincter with my tongue as I held her cheeks apart, and soon Debbie's cunt was dripping all over my chin.

I pushed a finger inside her pussy, then slid another inside her arse, making her moan as I fucked her in both holes at the same time.

> "I slid a finger inside her pussy, then another inside her arse."

I fingered her just enough to open her up, then pulled my cock out and stuffed it hard up between her cheeks.

Debbie howled as I did this, so I slowed down and let her grind back against me at her own pace until she was totally speared on my dick.

"Tell me to fuck you," I said, so Debbie started repeating it over and over again.

"Fuck me sir, fuck me in the arse. Oh yeah, that's it, fuck me in the arse."

I pumped my cock in and out of her fudge funnel as she squirmed across my desk and my thrusts got harder as her pitch became higher.

"That it sir, fuck me. Fuck me again!" she was hollering at the top of her voice, and I banged my cock in and out of her tight little arse until I felt my mercury rise.

> "She squirmed across my desk and my thrusts got harder as her pitch became higher."

"I'm going to cum. I'm going to cum," I moaned, so Debbie told me to cum inside her. "No, I want to do it over your face," I corrected her.

"Yes please sir," she moaned, pulling herself free and turning around just as my cock started to squirt.

She smiled up at me as my spunk splashed all over her nose and chin, then opened her mouth and gulped as I emptied the rest of my sticky deposit down her throat.

"Will there be anything else, sir?" she asked, pulling her knickers back on.

"Only that I'm probably going to need to do this a lot from now on," I said.

"Of course, at your service," she said, then added, "sir."

LEXI

Photos: BB Media

When we got Lexi along for this shoot the other week we were rather hoping to have the weather on our side so we could head into the great outdoors for some alfresco action. Sadly, the Great British Summer conspired against us and we were forced to seek shelter inside. Not that it mattered too much – Lexi Lowe in (and out of) some vibrant undies is more than enough to brighten any day up, no matter how damp and gloomy it is to begin with!

"I do my best!" she grins, thereby brightening the place up even more.

"I always say you've got to make the most of the hand you've been dealt, and if it's rainy outside, we'll just shoot inside instead!"

What a refreshing philosophy. And now that you've got your bits and bobs out, we'll shut up and, er, make the most of our hand for a bit…

Sophie Parker is bang-on our marker when the sassy Brummie came in for a shoot recently and disclosed a few tit-bits, which we eagerly lapped up of course.

"I just can't help myself sometimes when I'm working I get all steamed up and have to relieve myself right there and then with a cheeky clit flick. Not that any of you guys would blush at that!"

Quite right Sophie, if a girl starts up her engine in front of you there's no time for blushing!

Miss BEHAVIOUR

Real Life Adventures

Katie's a bit green, but her room-mate's happy to show her the ropes…

Imogen and I are room-mates; we are second year university students and have roomed together since we were freshers. From the first time we met I was attracted to her, and once we settled in together I became addicted to her. It's not just her looks which do it for me, as I am not truly lesbian. In fact with the exception of Imogen, I am solely attracted to men…

In looks we are the opposite of one another. She is dark haired, with brown eyes, and a lusciously curvy body which oozes sex, while I am a willowy blonde, with pale skin, blue eyes, and a model's body. Imogen is very extroverted, sexy, and passionate, while I am more serious and take my time getting to know people.

When we first met I had never been away from home before and Imogen kindly took me under her wing. I had only dated a couple of times and had never even had sex! If Imogen was taken aback by my lack of experience she hid it well, and took me for a tumble in her bed to sort things out and show me just how and where a man should touch me for the maximum pleasure. For weeks we tumbled the bedclothes, licking, stroking and sucking our way to ecstasy by stimulating every erogenous zone in the female body.

At last she considered me to be ready for my first man, and we set out to choose someone worthy to take my virginity. Naturally Imogen had been through the ranks, leaving her knickers hanging on the door handle of our room to warn me that she was busy bouncing on the bedsprings with one or other of the willing males in the university.

Imogen and I are studying Geology, and there was a weekend field trip planned. We were to stay overnight in a remote but beautiful old county house, and we thought it would be a great opportunity to set things up. My first choice was Adam, a great looking and well built

> "We tumbled the bedclothes, licking, stroking and sucking our way to ecstasy."

> "Before I knew it we were skin to skin, grinding our pussy mounds together…"

guy on our course. I was attracted to him, and he wasn't one of the lager-swilling bad lads that Imogen often played around with.

Adam and I were on smiling terms, but Imogen had already been on more intimate terms with him, so we knew that he would be well up to the job. It was early evening when we got to the country house we were to stay at, and we all found our rooms. Having dropped their luggage off, everyone seemed to be making their way to the bar, but Imogen told me to hang back and have a shower.

When she returned to the room she told me everything was sorted, took a pair of lacy black knickers and hung them on the door.

I asked her what was going on, but she just grabbed me, and, pulling my bathrobe off, tossed me onto the bed and jumped me. As always it was useless arguing with her and before I knew it we were skin to skin, grinding our pussy mounds together. My senses filled with the feel, taste, and fragrances of our Sapphic lovemaking, and we got ourselves tied up in the bed sheets in our passion, so that when the door opened and Adam slid in, I did not notice it until his shadow loomed over the bed, and I watched in anticipation as he quickly pulled off his clothes.

Imogen giggled and held a hand out to him, pulling him down into the bed beside us. In a moment of uncertainty I buried my face in the bedclothes but Adam gently pulled them back and began kissing me. The feel of his strong body against mine made me quiver and as I returned his kiss I felt Imogen's soft body snuggle tighter against me, so that I was sandwiched between them.

Imogen's hand squirmed down between my legs and her finger wormed its way inside my pussy. Eagerly I spread my legs, and as she circled my throbbing clitoris with her thumb, I thrust my hips forward, pushing her finger deeper inside, and began moving back and forth on her hand as Adam cupped my breasts and began sucking a nipple.

My back arched as excitement throbbed through my pussy, making it spasm as it gripped Imogen's finger. I smiled at them both, and lay back not bothering to do anything except enjoy the pleasure. Then Adam stroked my hair and asked me if I was ready, and I nodded.

Imogen offered him her finger and he sucked it, seeming to savour my taste as he kissed her and she reached for his cock and began stroking it in front of me, so I could see how big and erect he had become, and when Imogen licked and then sucked it into her mouth with obvious pleasure I envied her.

As Adam moved between my legs I spread them wide while Imogen kissed my cheeks and stroked my hair. I felt relaxed and ready as Adam pushed his large bell-end against my pussy lips and inched inside. It was a tight fit and as he pressed harder against me, he kissed my lips, pushing his tongue inside my mouth as he pushed his cock further inside me.

Imogen's fingers stroked my tits, gently rubbing my erect nipples as Adam broke through my virgin membrane and slid all the way inside. It pinched for a moment, but once through it felt really good and I began arching my back and thrusting my hips upward to meet his cock.

As I began moving with him Adam began thrusting harder, and when he paused for a moment I almost cried out in protest. But he slammed his cock back inside me harder than before and then held me, and I felt him pumping out his come, filling my throbbing pussy with his warm load. These final thrusts made my pussy spasm around his thick cock, and I held onto him until it finally began to relax and he slid his cock out.

I couldn't really have hoped for anything better from my first time, and Adam, Imogen and I have been seeing plenty more of each other since we got back from the field trip. Now that I know what it's actually like, I think I'm addicted to his cock, although I hope I'll get to try out plenty more over the course of the next year. I'm sure I will, if Imogen's got anything to do with it!

DANIKA

Photos: **DDF**

"East is East and West is West and never the twain shall meet" – or at least so said Rudyard Kipling in a poem 130-odd years ago. I dare say he had a point at the time, as he was doubtless reflecting on the relationship between India and Britain, but here we are in 2015 and, well, I can't imagine a better fusion between Eastern and Western, can you? Originally hailing from the Phillipines, Danika doesn't half know how to pull off a cowgirl look, does she? I don't know if she'd be at home riding a mustang round the prairies, but she's certainly welcome to ride something a little closer to home, that's for sure!

Brummie-based babe Jenny's got to be one of the all-round hottest honies to have hailed from these isles in recent times, so it's always a red letter day whenever we manage to get her in for a shoot. She's so busy gallivanting off all over the place that it sometimes feels like a bit of a miracle whenever we manage to track her down…

"Well, a girl's modeling career doesn't last forever," she tells us, "and you've got to make hay while the sun shines! There are so many fantastic locations to visit and people to meet, after all! Who want's to stay around at home all the time?"

Hmm, well, if we were shacked up with you, Jenny, we probably wouldn't mind staying at home all the time. Wouldn't mind it at all!

SAMMI

Photos: BB Media

We've extended quite a few things in Sami Jay's direction over the years (well alright, basically it's the same thing over and over again!), but this time perhaps we could extend something else – a warm welcome on her return to the pages of *Men Only*!

"That's very kind – and it's nice to know I've been appreciated for my efforts over the years. there's nothing that makes me hornier than the thought of turning guys on and making their pricks nice and stiff!"

Alright dear, we've already done the extending for today!
